This non-secure power of attorney form may be used when an individual or entity appointed as the attorney-in-fact will be completing the odometer disclosure statement as the **buyer only** or the **seller only**. However, this form cannot be used to allow an individual or entity (such as a dealership) to sign as both buyer and seller for the purpose of disclosing the odometer reading. This may be accomplished only with the secure power of attorney (HSMV 82995) when:

- (a) the title is physically being held by the lienholder; **or**
- (b) the title is lost.

NOTE: A licensed dealer and his employees are considered a single entity.
